

## R.E.

Our topics this half term are: **Spread the Word and Treasures**. During these topics we will learn to know and understand:

- On Easter Sunday we remember that Jesus rose from the dead.
- Jesus' promise of the Holy Spirit.
- On the Feast of Ascension, the Church celebrates Jesus' return to his Father in Heaven.
- What happened on the first Pentecost Day.
- Jesus has promised us new life.
- Ways of spreading the Good News about Jesus.
- The importance of sharing in God's world.
- God's world is a precious treasure.
- How we treasure God's world.
- How we thank God for the treasures of our world.
- Some words from a psalm or the Gloria.
- We are God's treasure.

## Science

Our topic this half term will be focused on **Living Things & their Habitats**. We will:

- identify things that are living, dead and never lived.
- describe how a specific habitat provides for the basic needs of things living there (plants and animals).
- identify and name plants and animals in a range of habitats.
- match living things to their habitat.
- describe how animals find their food.
- name some different sources of food for animals.
- explain a simple food chain.

## Maths

Along with daily Mastering Number sessions and flashback four questions (recap previously learnt skills) this half term we will be exploring fractions, length & height, mass, capacity & temperature and statistics. We will become fluent and explore reasoning and problem solving activities. Some of the objectives that we will be covering include:

Fractions	Length & Height	Mass, Capacity & Temperature	Statistics
<ul style="list-style-type: none"> <li>o Recognise, find, name and write fractions 1/3, 1/4, 2/4 and 3/4 of a length, shape, set of objects or quantity.</li> <li>o Write simple fractions for example 1/2 of 6 = 3 and recognise the equivalence of 2/4 and 1/2.</li> </ul>	<ul style="list-style-type: none"> <li>o Measure in cm (centimetres) and m (metres).</li> <li>o Compare &amp; order lengths and heights.</li> </ul>	<ul style="list-style-type: none"> <li>o Measure in g (grams), kg (kilograms) and l (litres).</li> <li>o Compare Mass, Volume and capacity.</li> <li>o Temperature</li> </ul>	<ul style="list-style-type: none"> <li>o Make Tally Charts.</li> <li>o Block diagrams.</li> <li>o Read and interpret Pictograms.</li> </ul>

Our texts:

## English

Writing

- Write description of the birds
- Write in role as a tornado
- Write a newspaper about the tornado
- Write a nature themed poem

GPS

- Use the 4 sentence types
- Using a range of suffixes, including comparatives and superlatives
- Use apostrophes for possession and contracted forms
- Use the simple past and present tense correctly
- Use subordination and co-ordination
- Use commas in a list

Handwriting

- Formation of capital letters of the correct size, relative to one another

## History/Geography

During our topic based on the Middleton flood we will learn:

- To understand what weather is and can name and identify different types of weather.
- Know that a flood happened in Middleton (our local area) in the past due to extreme weather.
- Know there is a memorial in Jubilee Park.

**What happens when it won't stop raining in Middleton and elsewhere?**  
**Year 2**  
**Summer 2**

## Music

Music will be taught by Mr Doherty from Rochdale Music Service.

## Computing

This term we will continue to focus on Digital Literacy and Computer Science.

We will:

- Create our own e-safety Popplet
- Use pages to write safety rules.
- Research Topic Image Searching.
- Use pages to create a topic document changing font colour and size. Additionally, editing & inserting images.
